Bulletin

Date: 18.02.2020

WHO has declared the recent Novel Corona Virus (2019-nCoV) epidemic affecting 25 countries as International Public Health Emergency of International Concern. In this context, Government of West Bengal has strengthened the surveillance and control measures against the disease. As on today total 26256 travelers / persons have been screened at Kolkata & Bagdogra Airport and 12294 persons have been screened at seven Land Border Check Points along Nepal and Bangladesh. Also 1045 crew members of ships have been screened in three Ports. Till date **191** travelers from corona affected countries have been identified and placed under surveillance, **all** of whom are under home surveillance. **None** is admitted in isolation facility on date. Till date **20** Samples have been sent to National Institute of Virology (NIV) Pune and ICMR-NICED, Kolkata for test of nCoV, out of which results of all **20** samples have come as negative. The health condition of all persons under surveillance is stable. A 24x7 control room has been set up in the State Head Quarter. Isolation facilities with total 92 beds have been arranged in the following hospitals across the State: ID & BG Hospital, Kolkata, North Bengal MCH, RG Kar MCH, NRS MCH, IPGMER, Kolkata, Calcutta Medical College, Calcutta National Medical College, COM & Sagar Datta Hospital, Imambara DH & Arambag SDH, Hooghly, Howrah DH & Satyabala ID Hospital, Howrah, Basirhat DH, Diamond Harbour GMCH, Kakdwip SDH, Rampurhat GMCH and Alipurduar DH.

In the background of the present novel Corona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. All the guidelines for health and hygiene are posted on www.wbhealth.gov.in. People at large should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing and do frequent hand-washing with soap and water. Those who have arrived from the corona affected countries should remain under home isolation for 28 days from the date of arrival in India, even if they do not have any symptoms. They should contact the Help Line no. given below in case they develop fever with cough or difficulty of breathing during this period.
