

GOVERNMENT OF WEST BENGAL
DEPARTMENT OF HEALTH & FAMILY WELFARE
GN-29, SECTOR-V, SALT LAKE, KOLKATA-700 091

Memo No: HFW-14015(17)/12/2020-SPSRC SEC-Dept. of H&FW/PPP/ 1305

Date: 28/07/2020

NOTIFICATION

Sub:- Equipment and Logistic management for COVID/ Pre COVID Dialysis unit of State

Department of Health & Family Welfare has established chain of Dialysis units dedicated for COVID positive/ suspected COVID cases throughout the state. Till date 39 such units either in Government/ Requisitioned private hospitals are functional and more new units are coming up. In government setups equipments, HR and logistics are provided by department. There are certain requisitioned private hospitals also where department has provided similar support.

Technical support and certain logistics are being supplied by department through WBMSCL, as per indent raised by local units. Most of remaining CAT items are being arranged by Hospital authorities/ District at their level.

Now we may request MSVPs and CMOHs as well as Nodal officers of all such COVID positive/ suspect Covid Dialysis units to follow the guidelines provided:-

1. For government run units the central supply of certain proprietary logistics and equipment by WBMSCL may continue while CAT items to be procured by hospitals as per norms. Hospital / District authorities may also procure the proprietary Non-CAT items from available funds following financial norms.
2. For requisitioned private hospitals where the dialysis is running with departmental HR and logistic the same may continue till the above are taken back when Covid situation subsides. However there will be no payment in this case for dialysis service. The bills may be scrutinized to rule out any claim towards Dialysis services in these hospitals.
3. All units will send timely indent to WBMSCL with a copy to PPP CELL well with advance with proper UC. In this regards a brief SOP is attached in Annexure-A. Same may be followed. List of functional COVID Dialysis/ suspect COVID units are attached in Annexure B for reference. This will be updated from time to time.
4. All other guidelines and advisory issued from time to time regarding Dialysis services has to be followed strictly. Strict vigilance regarding Infection Control Protocol and BMW management to be maintained.

This is issued in interest of public services.

Secretary PPP and D&E
DoHFW, GoWB

**Annexure A – SOP for Equipment and Logistics management in COVID / Pre COVID Dialysis units
Government/ Requisitioned Pvt hospitals**

- a. For any issues related to equipments (HD machines SLED/ routine machines and portable RO plant / fixed RO plant) breakdown/ maintenance in the dedicated Dialysis units, the MT Dialysis should immediately contact the OEM (Original equipment manufacturer) and send a mail to pppdialysis1@gmail.com and procurement@wbmsc.gov.in.
- b. Regular up keeping of machines and RO plant is responsibility of the posted MT Dialysis even if there are no cases. Any issues or problem detected should be brought into notice of the Nodal officer of the unit as well as concerned OEM and BME of the district. BME will be responsible for co-coordinating matter with OEM along with MT Dialysis and also WBMSCL experts.
- c. For all those COVID Dialysis run by private partners as per Government orders (Kolkata MCH/ MR Bangur DH) , they will be solely responsible for all HR/ Logistics and will raise bills for service as per approved rates.
- d. Indent along with UC to be compiled and forwarded by Hospital in-charge through nodal person of particular district / MSVP to the dept with a copy to WBMCL / PPP cell. Allotment will be for 1 month period based on UC and stock availability at HQ. Also based on the above status procurement planning will be done for further stock by WBMSCL. Further indent to be done by local units when 70% stock consumed. Please note that UC should reflect stock position of all items at DRS if any as well as Local Dialysis units. Please send mail for indent at pppdialysis1@gmail.com and procurement@wbmsc.gov.in , at least 5 days in advance and make a communication before sending vehicles to collect Logistics.
- e. Supply will be send only to CMOH, DRS and MSVP and counter acknowledgement at supply point to be done. MSCL may be requested to keep all stock updates of procurement and supply of proprietary items. District will sub-allot logistics to designated Dialysis units and also keep position of stock at DRS, specially where under same district multiple such Dialysis units are functional.
- f. The MT Dialysis Posted there has to maintain Stock and Submit fortnightly Stock Position to Hospital In-charge with copy to District, WBMSCL and PPP CELL. This will be accompanied by case report.
- g. District will maintain records of HR posted and Logistics supplied to Government requisitioned private hospitals running COVID Dialysis units. No claim for services in these units will be entertained.
- h. For reference contacts of OEM as follows:- 1. NIPRO INDIA Pvt Ltd:- MR Vikash Joshi – 9836472226, 2 FRESINIUS :- Mr Suman Sarkar- 8697739660, 3 Watertech (portable RO plant) :- Mr Swadhin Bose:- 8584858457, 4 Arivation Health care Pvt Ltd (portable RO Plant) :- Mr Arup Dhole 9836667979, 5 Dialysis Consumables EMSURG:- Mr Kunal Mukherjee 7890074817.
- i. For any query related to the matter please contact Mr Debasish Dey, MT Dialysis with PPP CELL (7908142945) or mail at pppdialysis1@gmail.com . The contact person for MSCL will be Mr Abir Sasmal, BME, WBMSCL. (9733871695)
