ORDER

In order to streamline the availability of information about patients tested for COVID 19 and to ensure appropriate follow up of COVID 19 positive patients all the testing laboratories are directed to mandatorily upload sample tested report **with SRF ID** only on ICMR portal immediately after the test is completed. Laboratories must insist on giving samples with SRF ID only.

The information, based on SRF ID details, on COVID 19 patients will further be utilised by the 'COVID Patient management System' which has been developed for tracking each of the COVID positive patient for their appropriate care, treatment and follow up.
