To

The

MSVP -NRS MCH / IPGMER, SSKM/ Kolkata MCH

**Sub:- Administrative Approval to NRS MCH for procurement of Logistics and consumables for Paediatric Dialysis**

State Government has planned to protect the children by augmenting in-patient Covid facilities both in form of general as well as critical care beds for the younger age group. This includes augmentation of facilities for Paediatric Dialysis in selected institutions. At present about 31 dedicated Covid Dialysis Units are functional and some new units are under process. To make the existing set up effective to deal with Paediatric Dialysis cases, request has been received from concerned Medical Colleges with Paediatric Dialysis units to ensure arrangements of logistics and consumables for conducting both Hemodialysis and peritoneal dialysis.

It was also recommended by experts to nominate one or two centres for procurement of Logistics and consumables because most consumables are Non CAT items and also proprietary and single point procurement and distribution shall ensure timely procurement, considering the urgency of the situation.

Accordingly the department hereby grants Administrative Approval to MSVP NRS MCH for single point procurement of the logistics and consumables required for ensuring Paediatric Dialysis management during impending 3<sup>rd</sup> COVID wave as anticipated. The procurement will be done following the guidelines mentioned below:-

1. MSVP NRS MCH will make arrangements for procurement of the logistics and consumables as enlisted in Annexure-A. The Item wise list with categorization is detailed in annexure and the same has to be followed.
2. For all varieties of Consumables including Non CAT items, CAT items and proprietary items all financial norms of procurement has to be followed. All records of fund utilization to be maintained as per norms. Procurement has to be done as per standard specifications of consumable & logistics.
3. The funds for the same are approved to be provided from COVID funds with NHM section of the department. Once the rate and agency is finalized before issuing work order, the facility may seek financial sanction from NHM and work order shall be issued accordingly.
4. The procured logistics has to be stocked with store keeper of NRS MCH. Three hospitals will take primary responsibility for logistics management throughout the

state, NRS MCH, IPGMER, SSKM and Kolkata MCH. The HOD Nephrology of the above mentioned three hospitals along with the Paediatric Nephrology team will monitor and guide the entire process.

5. Stock distribution shall be finalized as per requirement and demand, by the State Dialysis committee and SPSRC, CELL of the department. This initial procurement is for the entire state where CPOVID dialysis for Paediatric population will be required. So planning may be done to maintain stock point of small quantities at strategic locations like NBMCH, Bankura MCH, Murshidabad MCH, Midnapur MCH, RGKMCH and likewise.
6. The following experts will be the main co-ordination persons for the entire project;-
  - Dr Koushik Bhattacharjee, Assistant Prof Dept of Nephrology SSKM Hospital.
  - Dr. Dibyendu Raychadhuri, Assistant Professor, Dept. of Pediatrics and in charge Pediatric Dialysis unit, Kolkata MCH.
  - Dr. Biswanath Basu, Associate Prof. Pediatric Nephrology , NRS MCH.
  - Dr. Sumantra Kumar Raut, Assistant Prof. Dept. of Nephrology, NBMCH.
7. On behalf of department Dr Soumendra Nath Ari TO SPSRC, PPP CELL and state liaison officer Dialysis will be the nodal officer. He will be assisted by Mr Debasish Dey Consultant Dialysis SPSRC, PPP CELL.

These issues in interest of public services.
