D. O. No. S.12035/39/2021-Proc-II/Oxygen

16 December, 2021

Dear Sir/Madam,

Please refer to the DO letter from Secretary Health and Family Welfare, dated 10th Dec 2021 regarding the Oxygen Stewardship Programme launch on 15th Dec 2021. Due to unexpected exigencies, the scheduled program was postponed and duly communicated to all the States.

2. Considering the importance of the topic, the launch of the 'National Oxygen Stewardship Program' is now scheduled for 22nd December 2021 at 9.30 am. The program will be inaugurated by Honorable Health and Family Minister, Dr. Mansukh Mandaviya. The whole session will be held from AIIMS, New Delhi in a virtual mode. It will have two components, a plenary followed by a technical session. The detailed agenda for the program is enclosed.

3. This will be a national endeavour in which more than 1550 nominations have been received from States/UTs. We appreciate the prompt response from the States and further would encourage full participation of all the nominated members as this will include online technical demonstrations by experts from Institute of National Importance, AIIMS, New Delhi. All Senior officers and State Nodal officer for Oxygen may also attend the session and utilize the opportunities to enhance their skills.

4. The link to the program will be shared shortly via email.

With regards,

Yours sincerely,

(V Hekali Zhimomi)

Encl: As above.
