No-CE-0076-2021 A 4188

Date :- 19.08.2021

NOTIFICATION

As per The West Bengal Clinical Establishments (Registration, Regulation and Transparency) Rules, 2017, the applicant of a Clinical Establishment has to upload 26 (Twenty-six) documents for getting CE license.

Considering the present scenario, day to day working experience and in order to ease the process of issuing CE License, it appears that the following 5 (five) documents are henceforth not required during on-line submission of applications for CE license.

(1) Challan for submission of payment:-

As Payment is made through GRIPS.

(2) Approved Building plan :-

As the respective organisation / department (Panchayat / Municipality / Municipal Corporation) issue NOC after proper verification of Building Plan.

(3) Electrical Installation fitness certificate from licensed electrician :-

As the West Bengal Fire and Emergency Services verifies electrical installation fitness certificate before issuing NOC of Fire.

(4) Form VII :-

As this is yearly turnover of the business of CE in a financial year and has to submit hard copy before 1st April of each financial year.

(5) TR Form 7 :-

As Payment is made through GRIPS.

All concerned are hereby informed accordingly.
