Training should be providing within 2-3 days for smooth functioning of the existing application.
2. Meanwhile an alternative cloud based PC & PNDT online licensing system is to be urgently developed by IT Cell, H&FW department, GoWB within next 2-3 months seeing urgency of

the matter. SeMT to ensure that legacy data from existing module will be provided to new developer for smooth transition.

3. Necessary fund for development of new IT platform may be borne from suitable fund of PC&PNDT Cell.
4. Since an alternative solution is being developed afresh, it is decided in the meeting that not only PC&PNDT licensing but the other mandates of PCPNDT also to be incorporated in new software. PCPNDT cell to provide necessary inputs for the same.
